

Dear Friends,

As Campaign Manager of the **Essex Ontario Party Riding**, I am pleased to announce that **Frank Causarano** will be our first ever Ontario Party candidate to represent the riding of **Essex** in the June 2nd election. **Frank** is seeking election for his first term to represent you the constituent at Queen's Park.

Frank has always been a principled man and will be a relentless, untiring voice for you and your family, holding the Doug Ford government to account on many issues, mostly around health and your livelihood, and is speaking up against lockdowns and the devastating effects on small businesses and children. For **Frank**, it is about accountability in government, a belief that is foundational for every Ontarian.

Under the leadership of Derek Sloan, **Frank** was appointed as the candidate for your **Essex Riding**. The Ontario Party is the only true conservative party in the upcoming election. **Frank's** vision for your province is enshrined in the six foundational pillars on which the Ontario Party will rebuild our province. They include **Truth and Transparency; Faith and Family; and Freedom and Fiscal Responsibility**.

As the election draws closer, it is critical that **Frank** also has your financial support.

Your generous donation will help run a successful campaign by way of purchasing lawn signs, mailers, and offset other election expenses and will help us defeat the Ford government's over-reach and massive spendings.

A donation of \$400 will generate a \$300 tax credit. That will purchase close to 80 lawn signs. Elections Ontario have increased the amount that an individual can donate up to \$3325, creating a tax credit of \$1423 while your cost is only \$1877. Again, all donations must be from individuals and not a business.

Any amount you can give will be appreciated.

On behalf of Frank and our entire Essex Ontario Party, I would like to thank you in advance for your support. Together we can restore our province to the economic engine it once was. Your family's future in Ontario depends on us.

We are also building a strong army of volunteers. If you would like to join Team Ontario, please let us know. As a unified party, let's build a better Ontario.

Sincerely,

Tim Seech
